Resolved. That we want them offises;

THE earthquake has dissipated all th proud claim of a solid south.

You may break, you may shatter with bomts, if you will but Chicago will moon. hang all the aparchists still.

THE political campaign may now be said to be fairly opened, and the people may expect to be surfeited upon campaign lore for the next six weeks,

mobile Pacific and shake!

that Mexico gets the worst end of charge of the hostiles and proceed with gons is sterile and worthless to the Inthat earthquake next week, to square them to Fiorida in obedience to tele- dians, but the San Carlos reservation is accounts in the Cutting wrangle. TRUE to the party's traditional char-

acteristics, the democrats of Arizona are showing their hostility to the public schools. They realize that popular eduto remove the surrendered Indians.

oral pursuits a few thousand acres along the Gila and San Carlos rivers, or in the northern part of the re-erva-GROVER has returned home in safety,

and will hang his reputation as a nimrod on the four-pronged antiers of the deer he murdered. We have a linger- war. The friction between the authori- eral lands on the reservation are known ing suspicion, however, that the country is still safe.

Col. C. C. BEAN is still in the east, and his nomination as delegate to Congress was made without consulting him and without his asking it. Such inworthy delegate.

THE Star says the "poverty lead" is worked out for candidates. A few days had nothing but its poverty to recommend it, and its deliberate judgment therefore consigns its collection of curios to the abandoned lode.

Col. C. C. Bean changed the political complexion of the territory two years ago, and he will erect a greater republican majority this year upon that foundation The mere mention of his name creates the wildest enthusiasm among the people, which is a good indication of his popularity.

good work for the ticket in their county.

unpardonable absence. It is such a politics in local affairs. sickly and starved little orphan, with the death rattle already in its throat, that cent spell of delerium tremens.

THE grand ratification meeting by the carried conviction to the minds of their

OLD Geronimo wants to be regarded was at war with the United States. gave battle to the troops, but waged an indiscriminate slaughter and outrage among unarmed and innocent citizens, the old demon must be admired for the quality of gall he exibits. The cloak of of war is a disgrace to the nation every day it is permitted to outrage simple

THE Tombstone Epitaph is angry because it could not dictate to the republieans of Arizona who their nominee sents pothing.

"CLEVELAND'S administration is very popular" says a democratic exchange, and indeed it is actually smothering with popularity. It was only a few days ago that a prominent New York democrat, in making a speech to a demoeratic meeting in New York city, denonneed Grover Cleveland as an incomdemocratic party, and a nothing, whom the party will repudiate in 1888, and his rebuke was received with the most enthusiastic applause That is the quality of popularity his accidental excellency

THE democrats do not like the repubwill slyly vote for our candidates upon personal grounds. Those who are acquainted with the personnel of both tickets readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior qualifications and character of the readily recognize the superior of the readily recognize the superior of the readily recognized to the superior to the superior of qualifications and character of the re- centive is not responsible for the quality tution and physique are thus defended

OPPOSITION is made to delegate C. C. Bean because he has not dynamited and extinguished the fraudulent titles to affairs that needs thorough investigasundry grants through some occult tion and agitation, viz., the large dimen power they assume to believe he ought the advisability of reducing them to a to possess. The absurdity of these pre- reasonable size, proportionate to the Resolved. That we intend to git person possessing even a fragment of reference to the report of the Com pass through the proper channel, and area (estimating three fifths of the Navthe delegate to congress has as much sjo reservation as lying in this Terri-control over them all the number tory) of 10 318,821 acres, and the number control over them as the man in the of Indians, including twelve thousand
